Ranking is firstly determined by Highest Exercise Score. Competitors with same exercise scores are then ranked according to highest number of shots closest to centre of target (Shot Indicators). Starting with number of shots in the X-ring, then shots in the 10-ring, then shots in the 9-ring, and so on up to cut-shots in the 4-ring. Competitors with exact same Exercise Scores and Shot Indicators share the ranking in alphabetical order. Exercise Scores below 60% indicated with "P" (Participated).
